FOR IMMEDIATE RELEASE

19 February 2009

2008 SAUVIGNON BLANC
AWARDED SILVER MEDAL

RRP \$19.00

Blue Metal Vineyard's 2008 Sauvignon Blanc WON a Silver Medal and Best Sauvignon Blanc at the South Coast Wine Show 2009 with a score of 17.8.

Since planting the vineyard in 1998 and producing their first wine in 2003, Blue Metal Vineyards' wines have become well known in the region for their interesting wines of quality, and the 6th vintage is no exception. At the same show both the Pinot Gris 2008 and "Lava One" Botrytis Sauvignon Blanc received bronze medals.

The wines are all made from grapes grown exclusively at the vineyard and made locally – very much a Southern Highlands regional product. The wines are grown and made with minimum intervention with the emphasis on the fruit doing the talking!

Tasting Notes – Sauvignon Blanc 2008

The wine is pale lemon and straw in colour with a lively tropical nose. The palate has hints of custard apple, passion fruit and banana preceding a mouth filling palate of summer fruit salad, finishing with crisp acidity.

Available now at:

Cellar Door is open Thursday to Monday 10am to 5pm. Compton Park Road, Berrima.
