Networking, Marketing Opportunities & Small Business Information

If you are starting a small business or have an established small business why not come along to the next ... **Southern Highlands Small Business Club**

<p>Guest Speaker</p> <p>Sue Henry</p> <p>Topic</p> <p>Get Consistency In Your Business;</p> <p>Get Better Results!</p>	<p>Are you frustrated by inconsistent results? Then take action and get the results you want. 2009 is your year to shine and there are four activities you can do to make 2009 easier for you, get the results you want and transform your business. The true value of being able to transform your business for consistent results lies in the marketing, sales, networking and operational activities of your business.</p> <p>Sue Henry is a networking expert, co-author and professional sticky beak who has worked in sales, marketing, events and training for the past 20 years. During this interactive, fun and practical talk, Sue will unlock the four key aspects of being consistent in 2009 while demonstrating how to:</p> <ul style="list-style-type: none"> ▶ Master your own goals and motivation strategies ▶ Understand your networking personality ▶ Master and maintain relationships and ▶ Develop habits to support the growth and consistency in your business.
