

## Online Accommodation Deal Lodgement Form

### How to register your deal online

This form has been developed to guide you on how to get your latest deal uploaded onto the Tourism NSW, [www.visitnsw.com](http://www.visitnsw.com) site. The site has 222,000 visitors a month clicking on, looking for information to plan their holidays, and great deals that they can book, so it's a fantastic opportunity for any tourism operator, no matter what the size.

Before you can get your deal uploaded, we need to ensure that you can complete the following checklist:

- You have a listing on visitnsw.com via STDW. If you are not registered, you can do so at [www.tourism.nsw.gov.au/getconnected](http://www.tourism.nsw.gov.au/getconnected) and click on register
- You have a clear image of your product- inline with specifications listed below - see details below on 'Image Supply'
- You have supplied all the information requested on page 2

Image supply: If you are already present on [www.visitnsw.com](http://www.visitnsw.com) with an up-to-date image that you are happy with, then you do not need to supply an additional image. Any images you provide will replace existing images. Any images supplied need to relate to your whole listing, not just this particular deal.

Once you have filled out the form on page 2, all you need to do is email it direct to [getconnected@tourism.nsw.gov.au](mailto:getconnected@tourism.nsw.gov.au) . From there, a specialist consultant will process the deal and send it back to you for approvals. At times they may contact you to confirm some of the information.

Please be aware that the information we process for you via this Online Deal Lodgement Form is purely for short term deals for individual campaigns. The management and maintenance of the information on your standard [www.visitnsw.com](http://www.visitnsw.com) listing will still need to be maintained by you, via GetConnected.
